Respite Care

American Swiss In Home Care, Inc.

Professional and Compassionate Care

We love to care

Our goal is to find the perfect caregiver matching the personality of the senior, shared interests, personal preferences, his or her care needs with the best suitable caregiver. American Swiss is dedicated to give you personal attention at any level. We meet with each client to understand their personal needs and wishes. We then bring a couple of caregivers to your home for an interview and ask you to participate in the selection process. All our caregivers are screened, passed a criminal background check and are bonded and insured. They are trained in first aid, CPR and emergency response.
